1. Substance / preparation and company name

Casoron G

Certis

1b Mills Way, Boscombe Down Business Park, Amesbury, Wiltshire. SP4 7RX
Telephone: 01980 676500 Fax: 01980 626555

2. Composition / information on ingredients

Chemical name	Concentration	CAS number	EC number	R phrases	Symbols
dichlobenil	6.75%	1194-65-6	214-787-5	21	Xn

3. Possible hazards

None of the components of this product pose a health hazard as defined by EC directive 67/548/EEC

4. First aid measures

Skin contact: Wash affected area with plenty of soap and water. Seek medical advice if necessary.

Eye contact: If substance has got into eyes, immediately wash out with plenty of water for at least 15 minutes. Seek medical attention if irritation persists.

Ingestion: Do not induce vomiting. Give water or milk to drink. Seek immediate medical attention.

Inhalation: Remove patient to fresh air. When in doubt or symptoms persist, seek medical attention.

General: In case of accident or if you feel unwell, seek medical advice immediately (show the label where possible)

5. Fire fighting measures

Auto-ignition point >400°C at 760 mm Hg

Non-explosive

Not flammable

Flash point – not known

Nitrogen and carbon oxides may be formed

Halogen compounds may be formed

In case of fire, do not breathe fumes

Wear chemical protection suit and positive-pressure breathing apparatus

In case of fire use water, carbon dioxide or dry agent

Use as little water as possible

Prevent run off water from entering drains if possible

6. Accidental release measures

Clean up actions: Ventilate area. Use vacuum cleaner to collect spilled material. Place in appropriate container. Remove contaminated material to safe location for subsequent disposal.

Special precautions: Avoid raising dust. If contamination of drainage systems or water courses is unavoidable, immediately inform appropriate authorities. Seek expert advice for removal and disposal of all contaminated materials and wastes. Wear protective clothing as per section 8.

7. Handling and storage

Handling: Keep away from food, drink and animal feeding stuffs. When using do not eat, drink or smoke. Avoid contact with skin and eyes. Wear suitable protective clothing. Use only in well ventilated areas.

Storage: Keep locked up and out of reach of children. Keep only in the original container in a cool, well ventilated place. Protect from heat. Protect from moisture.

8. Exposure controls / personal protection

Engineering controls: Engineering controls should be provided which maintain airborne concentrations as low as practicable.

Precautionary measures: Keep working clothes separately and do not take them home. Use only in well ventilated areas.

Personal protection: When handling this substance e.g. sampling, wear goggles giving complete eye protection. Wear suitable protective clothing, eye/face protection and gloves. In case of insufficient ventilation, wear suitable respiratory equipment.

9. Physical and chemical properties

Appearance:	Grey granules
pH:	Not known
Boiling point:	Not applicable
Melting point:	Not applicable
Flash point:	Not known
Explosion limits:	Non explosive
Vapour density:	Not known
Auto-ignition point:	>400°C at 760 mm Hg

10. Stability and reactivity

Stable for storage for at least two years if stored under normal storage conditions (<25°C). No hazardous reactions known if used for its intended purpose. Keep away from heat and moisture.

11. Toxicological information

LD50 (oral, rat)	>5000 mg/kg
LD50 (skin, rat)	>2000 mg/kg
LC50 (inhalation, rat)	ND mg/l/4h
Irritation (dermal, rabbit)	0.5 ml/4h test score NA – non irritant
Irritation (eye, rabbit)	0.1 ml test score cornea NA – non irritant
Sensitisation (guinea pig)	No information

12. Ecological information

Do not contaminate surface waters or ditches with chemical or used container.

13. Disposal considerations

Disposal should be in accordance with local, state or national legislation. Do not reuse empty containers.

14. Transport information

Proper shipping name: Not regulated

15. Regulatory information

S2 Keep out of reach of children
S13 Keep away from food, drink and animal feedingstuffs
S3/9/49 Keep only in the original container in a cool, well ventilated place
S20/21 When using do not eat, drink or smoke
S24/25 Avoid contact with skin and eyes
S27 Take off immediately all contaminated clothing
S36/37/39 Wear suitable protective clothing, eye/face protection and gloves
S38 In case of insufficient ventilation, wear suitable respiratory equipment
S45 In case of accident or if you feel unwell, seek medical advice immediately (show the label where possible)
S51 Use only in well ventilated areas

16. Other information
